ADB & SDF to collaborate for the development of the SAARC region

as ADB.

Areas such as transport, road connectivity, ICT, industrial development, trade & investment and energy will be the focus areas of co-funding of projects in the SAARC Member States.

ADB, based in Manila, is dedicated to reducing poverty in Asia and the Pacific through inclusive economic growth, environmentally sustainable growth, and regional integration. It is owned by 67 members—48 from the region. In 2015, ADB assistance totaled \$27.2 billion, including co-financing of \$10.7 billion.

SDF was established by the eight SAARC Member States in April 2010 to promote the welfare of the people of SAARC region, improve their quality of life, and to accelerate economic growth, social progress and poverty alleviation in the region. The Fund is to serve as the umbrella financial institution for SAARC projects and programs which are in fulfillment of the objectives of the SAARC Charter. SDF has three funding windows viz. Social, Economic and Infrastructure.

Enterprise Development Program and any other new areas which can be covered under the MoU. The MoU was signed last Thursday.

Speaking on the occasion the chief executive officer of SDF, Dr. Motiwal reiterated SDF's commitment to the idea of promoting regional connectivity across the SAARC region by

strengthening cooperation in the areas of transportation, infrastructure development and investment & trade by collaborating with prestigious organizations such as ADB. Economic corridor connecting the SAARC Member States economies can be established in collaboration with development partners such

as ADB.
